

# GAME CONTROLS

Although Trauma Center: New Blood can be controlled with just the Wii Remote, Nunchuk-style play is recommended, as it generally offers a more enjoyable experience. Please note that the controls may vary at different points in the game depending on the play style chosen.

NOTE: You must reach a certain point in the story before the Healing Touch can be used.

### Caution: Wrist Strap Use

Please use the wrist strap and the Wii Remote Jacket to help prevent injury to other people or damage to surrounding objects or the Wii Remote in case you accidentally let go of the Wii Remote during game play.

Also remember the following:

- Make sure all players put on the wrist strap properly when it is their turn.
- Do not let go of the Wii Remote during game play.
- Dry your hands if they become moist.
- Allow adequate room around you during game play and make sure that all areas you might move into are clear of other people and objects.
